A screenshot of a web browser displaying the SourceForge project page for 'Open University Support System - Summary'. The browser's address bar shows 'linux.com partner'. The page has a navigation menu on the left with categories like 'Software', 'SourceForge', and 'Project: Open University Support System'. The main content area includes a project description, development status (1 - Planning), and a 'Public Areas' sidebar with links to Project Homepage, Public Forums, Bug Tracking, Support Manager, Patch Manager, Mailing Lists, Project/Task Manager, and Surveys. A 'Developer Info' sidebar shows project admins (dewarto) and developers (1). A 'File Releases' section indicates no releases for the 'openuss' module. A 'Latest News' section contains two news items: 'OpenUSS Presentation Objects for Enhydra' and 'OpenUSS (Open University Support System) is online'. The browser's status bar at the bottom shows 'Rate It'.
